MDIS STUDENT'S EXPERIENCE

Nathan Fu

MDIS College Alumni
Class of 2023

I completed the 16-month O-level preparatory course and made many great memories with my classmates and teachers. The teachers and office staff were really friendly and always ready to help with anything related to studies. I also found them easy to talk to when I needed advice. With their support, I felt confident and did well in my GCE O-level exams.
